LIVE STOCK PARADE

All Prize Winners to be Seen at One
Time at Kentucky State Fair.No single event of the Kentucky
State Fair, September 12-17, will at-
tract more attention than the great
live stock parade. This will take
place at 2 p. m. Friday, September 16,
and will be made up of first prize win-
ners in the various classes during the
week of the fair. The judging will be
over then and the champion, first and
second ribbons tied, and the admiring
public will have an opportunity to wit-
ness the parade of the champions in
every class. This show takes place in
the immense live stock pavilion, which
affords ample opportunity for ten thou-
sand people to view the magnificent
sight.For catalogue, entry blanks, or any
information regarding the Kentucky
State Fair, address J. W. Newman,

KENTUCKY WOMEN

Will Erect and Maintain Model
Rural School.Important Educational Exhibit Has
Been Planned for the State
Fair of 1910.The people of Kentucky have grown
to look upon their annual state fair
as one of the greatest educational in-
stitutions in the commonwealth. Many
evidences of practical development
and enlargement along live stock and
agricultural lines are traceable direct-
ly to these annual exhibitions. A de-
parture specifically along educational
channels will be made at the approp-
riate eighth annual state fair, which
will be held in Louisville September
12 to 17.A model school building will be
erected and maintained, and the en-
tirety is being fostered and carried
out entirely by the women of Ken-
tucky. This important work is in the
hands of the Ladies' Auxiliary, a dis-
tinct board. This board was recently
appointed, and consists of the follow-
ing members: Mrs. James A. Leach,
Louisville; Mrs. James A. Mitchell,
Bowling Green; Mrs. Chas. P. Weaver,
Louisville; Mrs. John P. Castleton,
Louisville; Mrs. John A. Stapp,
Louisville; Mrs. John H. Miller, Val-
ley Station; and Miss Laura Clay,
Richmond.With the aid of Secretary J. W.
Newman, of the state fair, and Prof.
Ellsworth Reegenstein, vice president
of public instruction, the work has
been pushed rapidly, and a model
schoolhouse will be erected prior to
the fair, and will be found complete
in every detail when visitors begin to
assemble on the first morning. As
the state fair draws visitors from ev-
ery section of Kentucky, this move-
ment is considered one of the most
important ever undertaken by a sim-
ilar institution in this or in any other
state.The members of the State Federa-
tion of Women's Club and all women's
organizations of the state have under-
taken a campaign for funds, and early
reports indicate that they are meeting
with success. Both inside and out
the proposed school building will be
a model in every particular. It will
be equipped with the most approved
schoolroom appliances, will be a struc-
ture of inexpensive, but artistic, de-
sign, and will be surrounded by a
model school yard. Not a detail is to
be overlooked, even to an exhibit of
the school wagons now affectionally
used in many localities where "the
model idea" has taken root. Prof.
Reegenstein will be the host in chief
in charge of the building during fair
week.

ONE VALUABLE IDEA.

The various exhibits of the Ken-
tucky State Fair at Louisville, Sep-
tember 12-17, put the visitor and es-
pecially the farmer to thinking. One
new idea obtained by visiting this
fair in the breeding of live stock or
in the cultivation of grain or in the
use of machinery often is worth much
more than the cost of the entire fair.
It is the man who gets new ideas who
makes progress. Seeing is thinking.
Thinking is doing, doing is achieving.

plants require. This enables Underfeed users to

SAVE 1/2 TO 3/4 OF COAL BILLS

Mr. J. E. Crider, President of the Cri-
der Creamery Company, Fredonia, Ky.,
relates his Underfeed experience thus:"We installed one of your No. 739 Underfeed
furnaces in our 12-room house about two years ago.
We have found the furnace very satisfactory in-
deed. The furnace is extremely economical, fires
easily and the heat is quite evenly distributed
throughout the various rooms. We use not
black coal for fuel with perfect results and much
prefer the Underfeed to any heating device with
which we are familiar."Send for our FREE book about UNDERFEED

If the people who find so much fault with our accommodating auto driver for occasionally forgetting a commission, will take a trip or two with him they will then wonder how he remembers as much as he does. If Mr. Gault's patrons would write out their orders and hand to him, we are quite sure that they would have no further cause for complaint.

MAY PROVE FATAL.

When will Maysville People Learn the Importance of It?

Backache is only a simple thing at first; but when you know 'tis from the kidneys; That serious kidney troubles follow; That diabetes, Bright's disease may be the fatal end.

You will gladly profit by the following experience. 'Tis the honest statement of a sufferer who was cured.

Thomas Ruark, East Second street, Vanceburg, Ky., says: "I suffered from kidney trouble and inflammation of the bladder for over ten years, some of the attacks being so severe that I really thought I would die. A complete retention of the kidney secretions existed and I called a doctor who drew the secretions from me with an instrument. None but those who have gone through this can imagine the suffering I endured. Some time ago I saw Doan's Kidney Pills advertised and I procured a box. Since using them I have had not had any trouble from my kidneys."

For sale by all dealers. Price 50 cents. Foster Milburn Co., Buffalo, New York, sole agents for the United States.

NEAR BEER

Fleming Gazette.
The sale of malt mead, or near beer, has been introduced in Flemingsburg the past week for the first time. The beverage is classed as a soft drink, though it resembles and tastes like ordinary beer. It contains less than two per cent. alcohol, and its sale in local option territory is said to be permitted through a decision of the Court of Appeals a few months ago.

IN A FEW WEEKS!

The youngsters will go back to their respective Colleges. In anticipation of their wanting to fit themselves out in Fall Suits we have arranged to receive our best goods during this month. In fact, a good many are already in stock.

Among them quite a line of the celebrated Hirsch-Wickwire productions. Our patrons that wear them fully appreciate them.

The young ladies that go back to their collegiate institutes will doubtless want a nice Trunk, Suit Case or Traveling Bag. Our stock in these lines are the largest and best we have ever carried.

At the price we are selling our best Spring and Summer Suits we are surprised we have any left at all; but we still have a few left. If you find your size you buy the cheapest suit of clothes that was ever sold in Maysville.

We still have a few of the Blue Serge Suits at \$14.50, fully worth \$20; some of them heavy enough to wear late in the fall.

We are well supplied with Tobacco Pants and Aprons. Send in your orders for them.

Be sure and get tickets on the Victrola when you make your purchases or pay your accounts.

Hon. J. B. BENNETT of Greenup county.

The State of Kentucky has again appropriated \$4 for the education of each child of school age in the State for the school year 1910. The total is just about half the revenues of the State, or, in other words, the State pays as much for the education of its children as it does for all other purposes combined. A few of the newer States which profited by experience and sold their school lands for enough to make a large endowment pay more per pupil than does Kentucky, but not another State East of the Mississippi river pays as much as this does. For this reason we have no patience with the sneers we sometimes hear that Kentucky is doing so little along educational lines. It is possible that if the State should do less that local enterprise might do more for the schools. However, since the county, and not the Dis-

trict, is the unit of taxation, the schools have improved very much and we feel that no State in the Union is making more progress along educational lines just now than Kentucky.—Richmond Register.

JOHN D. ROCKEFELLER'S whisky baths for rheumatism may start a lot of rheumatism.—Washington Post.

AMERICAN energy: The census of 1910 is not completed, but the big cities are already hustling to take in all their outlying suburbs. Maysville might expand nearly 3,000 in her population by annexing Plughtown, Oklahoma, Clifton; and then there's still "Hord's Hill" to fall back on.

Love will find a way: The Duke of the Abruzzi has triumphed over the daemias and the dowagers of Italy, and it is now said that all opposition to his marriage with Miss KATH-ERINE ELKINS has vanished and that the stren-uous young dago Prince will soon annex him-self to a few millions of the West Virginia coal properties belonging to Papa STEVE EL-KINS.

A GOOD COW.

A simple-hearted and truly devout country Preacher, who had tasted but few of the drinks of the world, took dinner with a high-toned family, where a glass of milk punch was quietly set down by each plate. In silence and happiness the new Vicar of Wakefield quaffed his goblet, and then added: "Madam, you should daily thank God for such a good cow."

Constipation

"For over nine years I suffered with chronic constipation and during this time I had to take an injection of warm water once every 24 hours before I could have an action on my bowels. Happily I tried Cascarets, and today I am a well man. During the nine years before I used Cascarets I suffered untold misery with internal piles. Thanks to you, I am free from all that this morning. You can use this in behalf of suffering humanity. B. F. Fisher, Rosanoke, Ill.

TOUGH LUCK

Yesterday afternoon a horse belonging to Mr. Joseph Swearingen dropped dead while standing in front of J. C. Everett & Co.'s warehouse in East Second street. He had been offered \$200 for the animal not a half hour before it died. Mr. Swearingen is a tenant on Mr. Cren Slack's place in the Fernleaf neighborhood. This is the second horse he has lost in a similar manner in the past two weeks.

ENTITLED TO THE PAPERS

A coincidence in divorce proceedings was filed yesterday with Circuit Court Clerk James R. Key, in that two Ellises are seeking separation from their husbands. Maggie Ellis wants a divorce from Melvin Ellis and Mary Brown Ellis has filed similar action against John W. Ellis. The former states that she was abandoned two days after marriage, over three years ago, and the latter says John is a drunk-en, good-for-nothing, idle and shiftless fellow, hence the actions.

Mr. and Mrs. E. H. Whittington entertained with a Pastime party Monday night in honor of their guests from Dayton and Portsmouth, O., and Lake Providence, La. The guests included Mr. and Mrs. Whittington, Mr. and Mrs. Eugene Hughes of Dayton, Mrs. J. C. Cablish, Mrs. Ed. Marshall, Misses Opal, Gertrude and Lula Baugh, Arwin Tangle of Lewisburg, Miss Margaret Hans of Portsmouth, Essie Whitting-ton of Louisiana, Edna and Lorraine Smith of Portsmouth, Helen Whittington, Maria Owens and Messrs. Ellsworth Cablish and Hiram Whittington.

The beautiful home of Mr. and Mrs. Henry J. Shea, corner Second street and Houston avenue, was Tuesday night the scene of a brilliant coneeence of their many friends, who gathered to do honor to their guests, Mr. and Mrs. John J. Burns of Chicago, and to con-gratulate host and hostess on the acquirement of their elegantly appointed, thoroughly re-novated new home. Mr. and Mrs. Burns are former esteemed residents of Maysville, whose prosperity in the Metropolis of the West has not caused them to forget old friends and childhood haunts. Mrs. Burns is a sister to Mr. Shea, whilst Mr. Burns has many relatives in this city. Music and dancing were deigh-ful features of the reception.

Silence!

The instinct of modesty natural to every woman is often a great hindrance to the cure of womanly diseases. Women shrink from the personal questions of the local physician which seem indelicate. The thought of examination is abhorrent to them, and so they endure in silence a condition of disease which surely progresses from bad to worse.

It has been Dr. Pierce's privilege to cure a great many women who have found a refuge for modesty in his offer of FREE consultation by letter. All correspondence is held as sacredly confidential. Address Dr. R. V. Pierce, Buffalo, N. Y.

Dr. Pierce's Favorite Prescription restores and regulates the womanly functions, abolishes pain and builds up and puts the finishing touch of health on every weak woman who gives it a fair trial.
